

Profile 2017

Introduction

Navubya Sserunjogi (Navusse) was launched in June 2007, after recognising that there is need of fast, reliable services and it has built its reputation on that. Navusse provides professional, personalised and high quality services.

Its expertism in doing services considers Navusse as a “one stop service provider satisfying clients’ demand.

Navusse aims at satisfying a client than making profit, has capability for a reliable service in a timely manner and it has a mobile team that is always to assist you by delivering what you request for.

Mission

To provide first class services.

Vision

To be the most preferred service provider both in uganda and internationally

Values

- Care and respect
- Quality and Excellence
- Responsibility
- Superior service delivery

Objective

To provide affordable, effective and efficient services to its clients.

Location

Navusse is currently located at Nsambya with an outlet at Nasser where it offers priority services to local clients.

Client Base

Since our inception, Navusse has already become known locally and it

has a growing client base. Thanks to our great personnel and dedicated belief in client satisfaction. Navusse has managed to get clients, both individuals and companies, who it supplies, provide with a variety of services.
